Who We Are

Amazing Grace Outreach, Inc. is a Christian non-profit organization dedicated to serving the most forgotten and vulnerable members of our communities with faith, love, and compassion.

We are called to be the hands and feet of Christ, bringing healing, restoration, and hope to a world that has stopped believing.

Our Mission

To glorify God

By reaching out to the incarcerated, the homeless, the elderly, and women and girls who have suffered abuse — offering not only material support, but also spiritual care and the message of redemption.

What Is a Chaplain?

The word "chaplain" comes from an ancient story about love in action. In 337 A.D., a Roman officer named Martin encountered a beggar shivering in the cold at the entrance of Amiens, France. While others ignored the man, Martin cut his military cape in two and gave half to him. This act of compassion marked his life forever, and Martin decided to dedicate his life to serving the poor and needy.

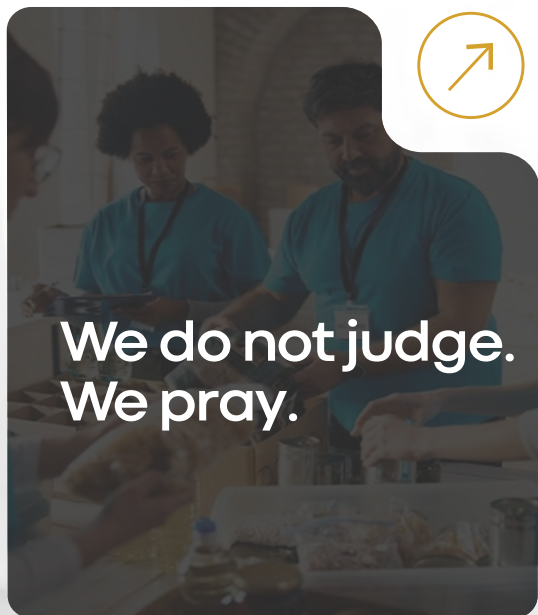

The cape Martin shared was later kept as a spiritual relic in a building called a chapel, and the person in charge of caring for it was called a chaplain.

The Mission of the Chaplain at Amazing Grace Outreach

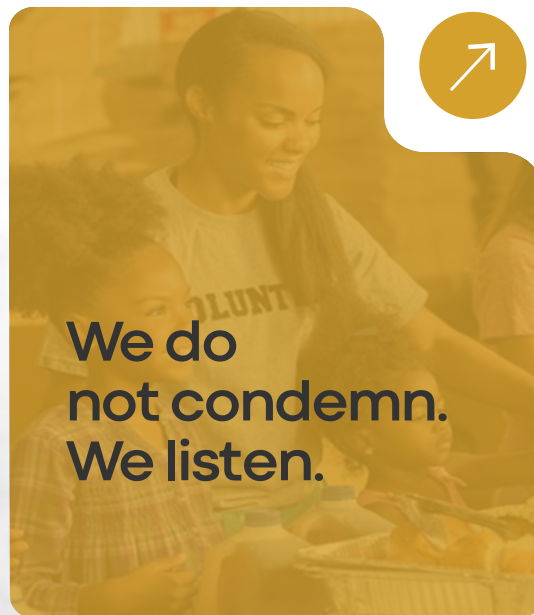

At Amazing Grace Outreach (AGO), we believe a person's soul is as valuable as their body. That's why the role of the chaplain is at the heart of our mission: to love, listen, accompany, and restore broken hearts.

A chaplain is not simply a spiritual advisor. They are a constant presence of compassion, truth, and hope in the places where human suffering runs deepest: in prisons, shelters, streets, and hospitals.

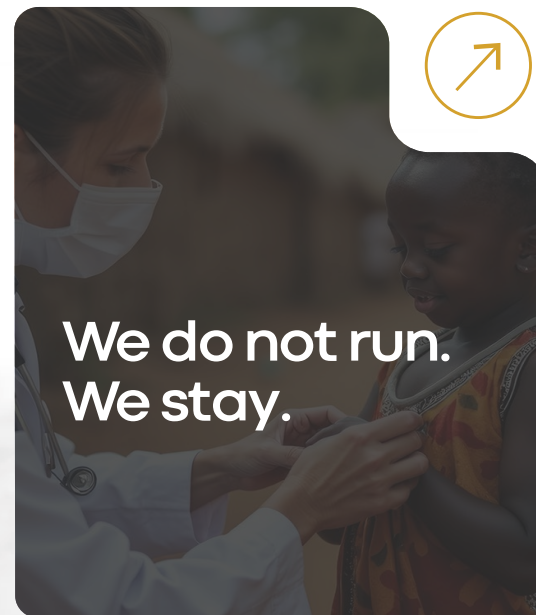

**We do not judge.
We pray.**

**We do
not condemn.
We listen.**

**We do not run.
We stay.**

A chaplain is a bridge between human pain and divine healing. They represent God's voice in the silence, light in the darkness, and love amid rejection.

"I was in prison and you came to me." – Matthew 25:36

**At AGO, we do not serve to be seen. We serve so that
God may be seen.**
